“Would the Minister detail how many units of social housing and how many private dwellings were approved during the periods when Senators Ozouf and Cohen held the positions of President of the Environment and Public Services Committee and Minister for Planning and Environment respectively?”

1. Senator S.C. Ferguson will ask the following question of the Minister for Treasury and Resources –

“What is the scheduled delivery date of the £100 notes to commemorate the Jubilee, given that celebration of the Jubilee is only for the 6 months to June 2012 so as not to clash with the Olympics?”

2. The Deputy of St. John will ask the following question of the Minister for Economic Development –

“Further to his response on 12th September 2011, will the Minister detail all of the qualifications that the Ships Master held at the time of the accident involving the States tug and advise whether the Master holds local pilot qualifications for Jersey waters and whether he has (a) to (j) housing qualifications?”

3. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Education, Sport and Culture –

“Will the Minister state how many families made use of holiday clubs in 2010 and how many are likely to be adversely affected by his decision to cut this service?”

4. Deputy P.V.F. Le Claire of St. Helier will ask the following question of the Minister for Health and Social Services –

“In the last three years has there been any monitoring at all of the nuclear power station and reprocessing facilities at Cap de la Hague through any device situated in the Bailiwick of Jersey and, if so, where were such devices located, what did they monitor, how were they operated, who manages the data and does any monitoring continue at present?”

5. Deputy M.R. Higgins of St. Helier will ask the following question of the Minister for Economic Development –

“Will the Minister advise the Assembly of the number of people directly and indirectly employed in the fulfilment industry, and explain where he sees these people being employed in the economy in the short and near term if, as is widely believed, the UK government abolishes overnight the low value consignment relief, upon which the industry is based?”

6. Senator F. du H. Le Gresley will ask the following question of the Chief Minister –

“Would the Chief Minister explain the reasons for the delay in settling the claims against the States of Jersey for the compensation of some of the former residents of children homes who suffered abuse whilst in care and advise whether he is satisfied with the performance of the lawyers handling these claims on behalf of the States?”

7. The Deputy of St. Martin will ask the following question of the Minister for Treasury and Resources –

“Given that 1(1)(k)’s can, outside of property rental, trade in Jersey at 1% personal income tax rate once they have exceeded a predetermined yearly income at 20% tax rate, what effect will that have on locally owned businesses that will have to generate an additional 19% profit to maintain parity in competitive businesses and what are the long-term consequences for business ownership and locally generated personal income tax returns?”

8. The Deputy of St. Mary will ask the following question of the Minister for Transport and Technical Services –

“In view of persistent rumours which circulate from time to time that items being separated for recycling are in fact sometimes going to the new incinerator to be burnt, can the Minister give the Assembly an absolute assurance that this is not going on, whether systematically or from time to time, and if it is, give a full explanation?”

“Does the Minister believe that Jersey has come out of the recession? 11. The Deputy of St. Mary will ask the following question of the Minister for Planning and Environment –

“Can the Minister advise who was the chairman of the former Environment and Public Services Committee when the decision to grant permission for the redevelopment of the former Portelet Holiday Village site was taken in 2004, which politicians were present, whether the meeting was being chaired by the vice-chairman of the Committee, and if so, why, and under what legal and policy framework this delegation was taking place?”

12. The Deputy of St. Martin will ask the following question of the Chief Minister –

“Given that the UK government has established the ‘Commission on a Bill of Rights’ to review and report on reform of the UK Human Rights Act 1998 and that the Island has adopted legislation almost identical to the UK Act, will Jersey be participating in the Review and, if so, would consideration be given to amending the Jersey Law should the UK decide to amend its Act?”
