

**WRITTEN QUESTION TO THE MINISTER FOR TRANSPORT AND TECHNICAL SERVICES BY
DEPUTY R.G. LE HÉRISSEIER OF ST. SAVIOUR
ANSWER TO BE TABLED ON TUESDAY 12th OCTOBER 2010**

Question

Does the Minister intend to resume publication of Annual Reports on the performance of the public transport contract?

Answer

The Department produced dedicated detailed performance reports on the bus service for the first two years of the Connex bus Contract, as there was particularly high and widespread interest in the service.

Since then strategic performance of the Bus Contract has been reported in the same way as all other Departmental business, in accordance with key performance measures prescribed in the States of Jersey Annual Business Plan. These have been published annually in the States of Jersey's Annual Business Report. Further information is publicly available in the JASS survey and Connex's annual activity report.

I believe continuing with this approach to reporting is appropriate at this time.
