	<p><b>1. The States Control of Senior management Remuneration</b></p> <p>The Committee approved scoping documents relating to the States Control of Senior Management Remuneration. It was noted that no budget was needed for this review as it was to be undertaken in response to a report published by the Comptroller and Auditor General entitled 'The States Management of Remuneration for Senior Posts' dated March 2011. As report drafting required utilization of the Committee resources, the scoping documents were to be presented to the Chairman's Committee.</p>
