Item 1 18.08.15 513/46	<p>1. Jersey International Finance Centre</p> <p>The Panel held a conference call with its advisors, Ernst Young (EY) to discuss the draft report received from them. The Panel asked for clarification in certain areas and also discussed areas for minor amendments.</p> <p>Following agreement for the changes to be made, the Panel considered the next stage of its review and was informed that EY would produce a final draft the week commencing 1st September 2015 incorporating the amendments as discussed. On receipt of the final draft from EY, the Panel agreed it would consider its next steps and the timeframe in which to present its report. The Panel was reminded of the contracted, capped fees with EY which related solely to this piece of work. Any additional work would require a new scoping document with a new budget approved.</p>	JH
