In paragraph (c) for the words “one month” substitute the words “3 months”.

DEPUTY R.G. LE HÉRISSIER OF ST. SAVIOUR

## **REPORT**

This amendment is being brought on that basis that one month is unlikely to be sufficient time for the Minister to bring forward the plan requested in paragraph (c) of the proposition. It is possible that the work that needs to be done will require outside expertise and could not be completed within one month. A change to 3 months will give a more realistic timescale for the Minister to seek whatever advice he requires and bring well-reasoned alternative proposals to the Assembly.

There are no additional financial or manpower implications arising from this amendment.
