

Social Housing

Dear Geoff

Thank you for your letter re the above
In answer to your questions

1 We have 11 X 1 bedroom units which are owned by the Parish without any borrowings.
We have recently converted 2 bedsits into a 1 bed unit.

2 We have a list of Parishioners or people who have strong Grouville connections and wish to return to the Parish

3. We do not have any dealings with the "Gateway"

I do not wish to comment at this point as there will be a possible reaction from the Commite Des Connetables to this proposal.
However I am quite prepared to meet your committee and talk about my personal views if you wish.

Regards

DAN
