27.09.12 Item 4 513/36	<p>1. Review Topic</p> <p>A lengthy discussion took place regarding the particular areas the Su-Panel wished to cover and examine during its review on Population and Migration. Concerns were expressed by Members of the Sub-Panel regarding the timing of the review and therefore consideration was given to whether it was more appropriate for a review on the provisions of the draft <i>Control of Housing and Work (Jersey) Law</i> to be undertaken once the Legislation had been implemented. However, despite these concerns, it was agreed that the Sub-Panel would undertake a review on Population and Migration over the next few months.</p> <p>The Sub-Panel noted that the Isle of Man and Guernsey had different rules around access to work and housing compared to Jersey. It was agreed therefore that as part of its review the Sub-Panel would examine the provisions present in other jurisdictions and consider their effectiveness in controlling migration in comparison to Jersey. The Officer was requested to circulate a document entitled “A Guide to Work Permit in the Isle of Man” to Members of the Sub-Panel for its review. The Sub-Panel also requested a copy of Mark Boleat’s “Jersey Population – A History”.</p> <p>The Sub-Panel agreed that the Chairman and Vice Chairman would meet with the Officer next week to discuss the Scoping document and Terms of Reference for its review. The Officer was requested to confirm arrangements and send out a meeting request.</p>	SM SM
