It was noted that the Sub-Panel's advisor, Mr R. Law had advised that the next Public Hearing should be organised on receipt of the first "draft" (referred to as such by Mr J. Richardson, Deputy Chief Executive and Chief Officer of Resources at the Public Hearing on 15th July 2010) report by DTZ. It had also been advised that the next Hearing should be held with the Waterfront Enterprise Board as opposed to the Chief Minister's Department as previously discussed.</p> <p>The Sub-Panel decided that it would hold the rest of the Public Hearings consecutively in one day.
