

**WRITTEN QUESTION TO THE MINISTER FOR INFRASTRUCTURE
BY DEPUTY R.J. WARD OF ST. HELIER
ANSWER TO BE TABLED ON MONDAY 2nd NOVEMBER 2020**

Question

Further to the Minister's response to Written Question 333/2020, will the Minister provide an update in relation to the cycling projects, outlining where efforts are being focussed to becoming a cycling Island; and will he advise the delivery date for the projects?

Answer

I am publishing a '2020 Active Travel Update; The Journey towards Jersey becoming an active travel island', which outlines where efforts are being focussed on becoming an active travel island, concentrating on cycling.

The projects detailed are at varying stages of development and due to the planning process, access to land, third party involvements etc. have complex interdependencies that are outside of the immediate control of the department. Thus, delivery dates for each item of work will be publicised on an individual basis as the projects progress.
