Report

Following consultation, the Committee has decided that the charges for leaving items in the harbour beyond the period allowed should be increased by 3% in line with its policy concerning increases in commercial fees. The purpose of these charges is to ensure that the harbour area does not become over congested with containers, freight and other goods awaiting delivery or export.

Explanatory Note

The purpose of these Regulations is to increase the fees relating to quay rental.

The quay rental for up to 10 square metres of quay per day or part thereof is increased from £15.00 to £15.45. The quay rental for an empty vehicle other than a trailer is increased from £9.00 to £9.27 per day or part thereof.
