What information, if any, is being given to public sector workers about their entitlement to Income Support if they take up voluntary redundancy under the scheme recently announced?

Answer

Social Security has provided guidance on voluntary redundancy and income support. This information was included in the information on the voluntary redundancy scheme which was made available to States employees on June 1st 2015. The details can be found on gov.je.

Social Security has also offered to meet individuals on a one to one basis to discuss the personal implications of accepting redundancy.
