Dear Deputy Perchard

Re: Population & Migration Policy Review

Thank you for your letter of the 20th of June regarding your Population and Migration Policy Review.

The Migration Policy Development Board was established on 7th March 2019, consists of Ministers, backbenchers and industry representatives, and I have been a Board member since its inception.

To date the Board has been gathering evidence and researching potential options for initial policy proposals. In order to get a better understanding of the underlying issues a number of Government departments have presented to the Board, including the Jersey Customs and Immigration Service, Customer Local Services, Statistics Jersey, Economics Unit, Ministerial Support Unit, Education, Island Plan, Environment and the Housing Policy Development Board.

The Board intends to work up initial policy proposal options throughout July and August 2019 for investigation with invited stakeholders from October to December 2019.

Yours sincerely
