27/11/13 Item 4 513/36	<p>1. Population Policy/Long Term Plan</p> <p>The Panel received a briefing on the Interim Population Policy and Long Term Plan Framework from Senator P.F. Routier MBE, Assistant Chief Minister, Mr. P. Bradbury, Director of Corporate Policy and Dr. I. Skinner, Head of Strategic Planning. The Panel considered and discussed confidential documentation that was provided on both of these subjects.</p> <p>The Panel was advised that the same information had been provided to the Council of Ministers on 27th November 2013. It was further advised that Senator Routier and the Officers were due to update the document on the Interim Population Policy and re-present to the Council of Ministers on 18th December 2013. It was agreed that it would be very helpful if the Panel was also updated once the Council of Ministers had met. The Officer was therefore requested to enact the necessary arrangements.</p> <p>It was recalled that the Panel had previously requested an updated timetable for the development of the Interim Population Policy, including a new lodging and debate date. The Panel was advised that the Council of Ministers would be asked to consider an updated timetable at its next meeting.</p>	SM
