INDEPENDENT JERSEY POLICE AUTHORITY: ESTABLISHMENT (P.23/2010) – COMMENTS

**Presented to the States on 23rd March 2010
by the Minister for Treasury and Resources**

STATES GREFFE

COMMENTS

The Minister for Home Affairs has stated that it may be possible to create a body at a cost of between £50,000 and £100,000 per year, but this could not be funded from within the Department's existing cash limit. Should the States approve this proposition, then any additional funding required would need to be considered and prioritised against competing needs as part of the Comprehensive Spending Review process.
