COMMENTS

The Finance and Economics Committee recognises the importance of the Jersey Community Relations Trust, and supports its implementation.

Should the States agree to the Proposition, the Committee expects the £100,000 initial funding to be a first call on the carry-forward of the Policy and Resources Committee at the year-end. Failing that, the Committee has agreed to underwrite the initial funding only, from the General Reserve. Thereafter any ongoing funding required must be subject to a growth bid to the Fundamental Spending Review.
