<b>13/11/13 Item 8  513/40</b>	<p><b>1. 2014 Budget</b></p> <p>The Panel received a draft report on <i>Draft Budget Statement 2014</i> (P.122/2013), revised following its meeting on 13th November 2013. The Panel recalled its request for research to be undertaken on the situation in Sweden and Finland in respect of duties on spirits. It was noted that it had not yet been feasible to incorporate the results of that research into the draft report and that some further amendments in that regard might therefore be required.</p> <p>The Panel, subject to some minor amendments proposed by the Chairman, approved the main body of the draft report for distribution to contributors for comment on the factual accuracy and the reporting of evidence. It was noted that, if the Panel were able to finalise its Key Findings and Recommendations at the meeting scheduled for 20th November 2013, or soon after, presentation of the report could potentially occur by 22nd November 2013.</p>	<b>WM</b>
