“Will the Minister consider introducing a scheme in Jersey similar to that recently announced in the United Kingdom whereby interest free loans will be available to first time buyers earning under £60,000 looking to buy a property to help them get a foothold on the housing ladder and, if not, why?”

1. Senator F. du H. Le Gresley will ask the following question of the Minister for Planning and Environment –

“Does the Minister consider that the fact that a developer has won national awards such as ‘Large Development of the Year’, ‘Best Architecture- Multiple Units’, ‘Best House’ and ‘Best Interior Layout’ should influence any assessment of the impact on our coastline of the current development of 46 apartments and 7 houses on the former holiday village site at Portelet Bay?”

2. Deputy M.R. Higgins of St. Helier will ask the following question of the Chief Minister–

“Will the Chief Minister advise whether there is any legal requirement for Jersey to supply aggregated/unaggregated census information to the United Kingdom Government or the European Union and, if so, would he explain what information is supplied, for what purpose and under what legal requirements and, if there is no current requirement, would he give an undertaking that no information will be given without the consent of this Assembly?”

3. The Deputy of St. Mary will ask the following question of the Minister for Planning and Environment –

“Can the Minister advise how much railings and a wall around the new Town Park will be likely to cost, why this is better than a hedge, whether there has been any consultation on this matter and, if so, give details and will he indicate what support there is for this idea in the Planning Application and plans for the Park drawn up by Burns and Nice?”

4. The Deputy of St. Martin will ask the following question of the Minister for Home Affairs–

“Will the Minister inform Members of the circumstances that led to the recent abortive search of a property in St Ouen, is he satisfied that appropriate steps were taken to allay a sense of grievance and, given the difficulty in identifying addresses particularly in rural parishes, is the Minister of the view that before States Police execute searches they should liaise with the Chef de Police of the relevant parish?”
