<b>30.06.14 Item 1</b>  <b>517/21</b>	<b>1. Redesign of Health and Social Services: Full Business Cases and Hospital Review</b>  The Panel noted that it had previously been sent the first copy of its draft report. The Panel discussed its contents and requested a number of changes. The Panel noted that its advisor, Mr S. Boyle was due to send a critique of the hospital process. It was hoped this would be received imminently so that it could be included in the report which would then be recirculated on Thursday 10th July 2014.  The Panel agreed that it would meet on Monday 14th July 2014 to discuss the report further.	<b>KB</b>

The Panel raised concerns around some of the issues within the advisor's report and requested the full advisor report be sent together with an email to the Minister for Social Security asking him to comment on these areas. The Panel further requested a deadline of noon on Thursday 10th July 2014 for the Minister's comments to allow it time to submit its own Comments paper. The Panel agreed to meet on Thursday 10th July 2014 to discuss the comments, if any, received from the Minister and finalise its own Comments paper.	<b>JH</b>
