## **DRAFT SEPARATE LIMITED PARTNERSHIPS (ANNUAL ADDITIONAL CHARGE) (JERSEY) REGULATIONS 201-**

### **REPORT**

---

Article 33 of the Separate Limited Partnerships (Jersey) Law 2011 provides for the States to make Regulations to introduce an annual additional charge in respect of separate limited partnerships. These Regulations introduce an annual additional charge of £115 to be paid to the Jersey Financial Service Commission by the end of February each year. This annual additional charge will set the total annual fee for Separate Limited Partnerships at the same level as companies, foundations, incorporated limited partnerships and limited partnerships.

#### **Financial and manpower implications**

Save that extra revenue will be raised by the Treasurer of the States (as ultimate beneficiary of the annual additional amount), there are no financial or manpower implications arising from the adoption of these Draft Regulations.

## **Explanatory Note**

---

These Regulations specify £115 as the annual additional amount that must be paid by a separate limited partnership to the Jersey Financial Services Commission in addition to the annual administration fee. (The annual administration fee is published separately by the Jersey Financial Services Commission.) The Separate Limited Partnerships (Jersey) Law 2011 specifies that these amounts must be paid by the end of February each year.

These Regulations come into force on 1st January 2013.
