We as a family would like to oppose the supermarket proposed for the site near to the airport for the following reasons:

1. Within close proximity there are 7 other food shops, 1 Coop St Peters, 1 Coop locale at the garage, another Coop locale at Red Houses, another smaller food shop at the garage by Philadelphia Church, a Checkers Express in Quennevais precinct a large Checkers store at Red Houses and M&S. We cannot see the need for yet another food shop in this area.
2. Traffic in the area is already busy, we surely do not need to add to that problem?
3. It will destroy yet another bit of green space on our small island.
4. Whilst some may argue that it will create jobs it will also be sure to involve yet more people onto the island, where will these people live? what about schools? and health? can we really afford to overburden our already stretched economy for possible competition to our supermarkets? look at what happened with Safeway/Morrisons.....has that been a success??? We don't think so.
