	<p>1. Public Hearing Question Plan</p> <p>The Panel received a draft question plan in preparation for the Public Hearing with the Minister for Health and Social Services and Minister for Infrastructure on Monday 26th February.</p> <p>The Panel discussed the question plan and requested several amendments and additions. The Officer explained that a revised question plan would be circulated in due course.</p> <p>The Panel discussed the Public Hearing venue and agreed that the Blampied room could not accommodate a vast amount of people to attend in the public gallery. In that regard, the Panel requested the Officer to draft a letter to the Bailiff to request the use of the States Chamber. It was agreed that if the Bailiff granted permission to use the Chamber, the Hearing could be webcast and broadcast live. The Officer was requested to make the necessary arrangements.</p>	<p>KB</p> <p>KB</p>
