### **1. Meeting with Interim Chief Executive and Director General**

The Sub-Committee met with the interim Chief Executive Officer and Director General to discuss their views on democratic accountability and governance.

### **2. Next steps**

The Sub-Committee agreed that preparations would begin on organising workshops for all States Members to discuss the emerging themes. It was anticipated that a presentation would be provided via Teams to all States Members in the first instance to explain the review and encourage Members to submit their views. Following this initial presentation, more focussed workshops would be organised.
