

Dear Sir

I think the 15mph limit in the green lanes should most emphatically should be kept. When walking my dog along the green lanes in St Martin I have often been scared by cars exceeding the speed limit coming around bends and nearly running into my dog and myself. As a driver myself I know it can be difficult to keep to 15mph but if it is raised to 20mph most people will start to do 20-25 mph. Please keep the limit at 15mph.
