Dear Minister,

**Ministerial Delivery Plan - update**

I am writing to request an update on the delivery of your 2023 Ministerial Delivery Plan. In order to help inform our own panel work programme, we would find it helpful if you could provide an update as to whether all ministerial actions, programmes, projects and legislation are either complete, on track, delayed or otherwise, along with a short commentary update on each. In particular, we would be grateful if you could provide revised timescales where items may be delayed.

The Panel would be grateful to receive a written response by **Thursday 6<sup>th</sup> July 2023**. Please be aware that it is the Panel's intention to publish the response on the States Assembly website.

We look forward to hearing from you.

Yours sincerely,

Deputy Steve Luce  
**Chair,**  
**Environment, Housing and Infrastructure Panel**
