Dear Deputy Chief Minister,

Our Hospital – Preferred Access Route

I write in relation to the Future Hospital Panel's ongoing scrutiny of the Our Hospital project and to inform you of the Panel's intention to undertake additional work on the project. A copy of our terms of reference will be forwarded to you shortly.

We would be grateful if you could provide an updated work programme following the approval in the States Assembly of P.167/2020 – Our Hospital, Preferred Access Route. In addition, we have recently been made aware of a briefing which took place and gave an update on the modifications of the road showing proposed changes to the original plan. We would be grateful if you could arrange with your officers for the Panel to receive this same briefing. We would also be grateful if you could provide an update to the contractual arrangements with GoJ and the design partners to inform the Panel if the final contracts have now been signed.

We look forward to hearing from you.

Yours sincerely

Senator Kristina Moore
Chair
Future Hospital Review Panel
