Dear Chair

**Taser Proposition**

Thank you for your letter of 7 February 2022.

I can confirm that it is my intention to collate the further data, as required by the previous States Assembly decision, for the remaining months of the 12-month trial and to present them to the States Assembly prior to the debate on 29 March. I anticipate doing so as an addendum to my original proposition P.117/2021 and will do so as soon as reasonably possible after the 1 March.

I hope this assists the Panel, if you have any further queries in relation to this matter, please do not hesitate to contact me.

Yours sincerely
