Item 5 8.04.14 514/24	1. Waste Water Strategy The Panel met for the first time with its adviser for the Waste Water Strategy review, Mr D. Morris of consultants AECOM Ltd., following his visit earlier in the day to the Bellozanne Sewage Treatment Works, where he held discussions with Transport and Technical Services Department (TTS) officers. The meeting considered various matters arising from the adviser's report to the Panel, and responses to it now received from TTS. It was noted that Mr Morris would also meet with officers from the Department of the Environment before returning to the UK later the same day.
