Including for:

- The process followed in reaching this decision and the engagement undertaken.
- Detail of all the projects that will be impacted and the funding amounts that will be removed.
- Whether an impact analysis has been undertaken to determine the outcomes of reducing funding for these projects in the manner that has been decided.

The Panel would be grateful to receive a formal written response as soon as possible and by no later than **Friday 19th January 2024**. Please be aware that it is the Panel's intention to publish the response it receives on the States Assembly Website.
