A1. The Committee noted a report of the States of Jersey Complaints Board detailing its findings in connexion with a complaint against a decision of the Minister for Planning and Environment.

The Committee noted that, in accordance with Article 9(9) of the Administrative Decisions (Review) (Jersey) Law 1982, as amended, it was the duty of the Privileges and Procedures Committee to present the report to the States.

Members accordingly approved the report entitled 'States of Jersey Complaints Board: findings – Complaint against a decision of the Minister for Planning and Environment relating to the property known as Saval, La Route des Côtes du Nord, Trinity (removal of part of new fencing)', and requested that it be presented to the States at the earliest opportunity.

The Committee Clerk was directed to take the necessary action.
