STATES GREFFE

## **PROPOSITION**

**THE STATES are asked to decide whether they are of opinion –**

in accordance with their Act dated 9th November 1961, as amended, concerning the membership of the Manual Workers' Joint Council, to approve the nomination of the 5 representatives of the States to serve as members of the Employers' Side of the Council for 2013, as follows –

Senator Paul Francis Routier

Deputy Judith Ann Martin of St. Helier

Mr. John Rogers, Chief Officer, Transport and Technical Services  
Department

Mrs. Julie Garbutt, Chief Officer, Health and Social Services Department

Mr. Mario Lundy, Chief Officer, Education, Sport and Culture  
Department.

**STATES EMPLOYMENT BOARD**

## **REPORT**

The Employers' Side membership comprises 5 representatives of the States and one representative of the Connétables.

The Employers' Side represents the Executive in negotiations with the Unite (Transport and General Workers' section) Union on manual workers' pay and conditions of service. The nominations for the States' representatives have been based on the fact that they are Assistant Ministers or Chief Officers of departments employing significant numbers of manual workers.

### **Financial and manpower implications**

There are no financial or manpower implications for the States arising from this proposition.
