## **PROPOSITION**

**THE STATES are asked to decide whether they are of opinion –**

to refer to their Act dated 9th November 1961 concerning the membership of the Manual Workers' Joint Council, and to appoint -

- Deputy M.F. Dubras of St. Lawrence
- Senator M.E. Vibert
- Mr. J.D. Richardson, Chief Executive Officer, Public Services Department
- Mr. A.J. Skinner, Director of Community and Social Services

as the States' Representatives on the Employers' Side of the Manual Workers' Joint Council.

**POLICY AND RESOURCES COMMITTEE**

## **REPORT**

The Employers' Side membership normally comprises 6 representatives of the States, one representative of the Parish of St. Helier, and one representative of the Connétables. At this time however, the Policy and Resources Committee wishes to nominate only 4 representatives, with the 2 final places remaining vacant for the time being. There will, in addition to the States' representatives, continue to be representatives of the Parish of St. Helier and the Connétables on the Employers' Side. The Chief Executive of the States Human Resources Department traditionally fulfils the role of Employers' Side Secretary, and the Director of Employee Relations from the Department becomes the Assistant Employers' Side Secretary.

There are no additional financial or manpower implications for the States arising from this proposition.
