513/1/1(4)	2. Transfer of Ann Court to Andium Homes The Panel recalled its recent request to obtain information from the Department of Treasury and Resources to ascertain if the Ann Court site had been considered for office space prior to the transfer. The Panel was advised of the response:- <i>The site was considered some time ago for office use, but has not been included in the current options. The States approved the site for affordable housing in the Island Plan (Revised 2014) and the Strategic Housing Unit have been involved to ensure its timely delivery in order to meet the supply objectives of the Housing Strategy.</i> The Panel agreed no further work was required in this area at this time.
