	<p>1. Energy From Waste Plant: Waste Management Licence application</p> <p>The Committee noted that the official notice of public consultation on the Waste Management Licence application had been posted on 20th July 2010. In view of the concerns raised at earlier discussions between the Environment Scrutiny Panel and the Minister regarding air emissions from the Energy from Waste Plant, that Panel had decided to commission a review of the application and agreed to a provisional budget of up to £3,000 for this purpose. The Panel agreed to extend the budget for the Ramsar: Review of Planning Process accordingly.</p>
