## CHILDREN'S RIGHTS IMPACT ASSESSMENT (CRIA)

### PART 1: SCREENING

Name and title of Duty Bearer:	Deputy C.D. Curtis of St. Helier Central
Type of Duty Bearer: (Minister, Elected Member or States Assembly Body)	Members Resources
Assessment completed by (if not completed by duty bearer):	
Date:	06.05.25

1) Name and brief description of the proposed decision

The subject of your CRIA may be a proposed law, policy or proposition and in accordance with the Law is referred to in this template as the '**decision**'

- What is the problem or issue the decision is trying to address?
- Do children experience this problem differently from adults?

This amendment adds an element to the proposition to include providing assistance to any injured driver.

2) Which groups of children and young people are likely to be affected?

Groups of children could include early years, primary or secondary education; young adults; children with additional learning needs; disabled children; children living in poverty; children from particular ethnic backgrounds; migrants; refugees; care experienced children and LGBTQ+ children

No further groups of children than those already identified in the CRIA for the main proposition.

3) What is the likely impact of the proposed decision on children and on their rights?

- Identify any potential positive OR negative impacts and include indirect impacts on children and their rights as described in the UNCRC
- Will different groups of children be affected differently by this decision?

No impact than that already identified in the CRIA for the main proposition.

4) Is a full Children's Rights Impact Assessment required?

If you have identified impacts on children and their rights, a full CRIA should be completed. If no impacts are identified then a Full CRIA is not required, but please explain your rationale and how you reached this conclusion

As there will be no further groups effected or impact provided through this amendment, a full CRIA is not required.

If screening determines that a full CRIA is needed, complete Part 2
