**DRAFT STATES OF JERSEY (AMENDMENTS AND
CONSTRUCTION PROVISIONS No. 3)(JERSEY) REGULATIONS
200-**

REPORT

The report relating to this projet is published within P.215/2005.

Explanatory Note

These Regulations amend enactments that confer functions on the Environment and Public Services Committee. The amendments follow on from the transfer of the functions of the Committee to the Minister for Planning and Environment or the Minister for Transport and Technical Services (P.120/2005, Environment and Public Services: Establishment of Ministers and Departments). The amendments replace references to the Environment and Public Services Committee in the enactments with references to either of those two Ministers.

These amendments will take effect when the first Council of Ministers is appointed to office.

Where the enactments include a reference to another Committee of the States, the name of the Minister to whom the functions of that Committee is transferred has been substituted for the name of the Committee.

A reference to an officer of a Committee has been replaced with a reference to an officer in an administration of the States for which the Minister is assigned responsibility.

These Regulations will come into force on the same day as Article 42(3) of the States of Jersey Law 2005.
