Note –

In accordance with the meeting dates fixed for 2017 by the Privileges and Procedures Committee, this meeting will continue, if necessary, on Wednesday 3rd and Thursday 4th May 2017.

Explanatory Note regarding subordinate legislation tabled at this meeting.

(See Item B)

R&O.48/2017.

EU Legislation (Sanctions – Egypt) (Jersey) Order 2017.

This Order revokes and replaces the Community Provisions (Restrictive Measures – Egypt) (Jersey) Order 2011. It continues to implement Council Regulation (EU) No 270/2011 of 21 March 2011 (“Regulation (EU) No 270/2011”) concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt (OJ L 76, 22.3.2011, p. 4).

This Order updates the sanctions imposed in relation to Egypt, by giving effect to all amendments to Regulation (EU) No 270/2011 up to the date of this Order. The most recent amendment is by Council Implementing Regulation (EU) 2017/491 of 21 March 2017 implementing Regulation (EU) No 270/2011 concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Egypt (OJ L 76, 22.3.2017, p. 10).

This Order also gives effect to any future changes to the lists in the Annexes to Regulation (EU) No 270/2011, including in particular the list of those whose funds and economic resources are frozen.

All the general provisions in the EU Legislation (Sanctions) (General Provisions) (Jersey) Order 2014 form part of this Order.

The Order was made on 20th April 2017 and came into force on 21st April 2017.

R&O.49/2017.

EU Legislation (Sanctions – North Korea) (Amendment No. 5) (Jersey) Order 2017.

This Order further amends the EU Legislation (Sanctions – North Korea) (Jersey) Order 2015 (“the principal Order” by virtue of *Article 1*) (which gives effect in Jersey to Council Regulation (EC) No 329/2007 concerning restrictive measures against the Democratic People’s Republic of Korea, OJ L 88, 29.3.2007, p.1, as amended: the “2007 Regulation”) to give effect (by *Article 2*) to amendments to the 2007 Regulation made by Council Regulation (EU) 2017/658 of 6 April 2017, OJ L 94, 7.4.2017, p.3-8.

Those amendments introduce a new prohibition (in Article 3c, added by *Article 3* of this Order to the list in Article 5(1)(a) of the principal Order of prohibitions which it is an offence in Jersey to contravene) against providing any services related to mining or incidental to manufacturing in the chemical, mining and refining industry, as further described in the new Annex VIII which is also added to the 2007 Regulation. There are certain exceptions, particularly as to computer and related services, in paragraphs 2. to 5. of Article 3c, and by paragraph 6. this new prohibition does not apply to “the provision of services until 9 July 2017, due under contracts, agreements or obligations that were concluded or arose prior to 8 April 2017.”

The updating effected by this Order also includes amendment of paragraph 2. of Article 5b of the 2007 Regulation (contravention of which is similarly an offence in Jersey under the principal Order, and which is a prohibition against establishing joint ventures or taking or extending any ownership interests in entities engaged in North Korea’s activities or programmes related to nuclear weapons or other weapons of mass destruction).

The Order was made on 20th April 2017 and came into force on 21st April 2017.

R&O.50/2017.

Motor Vehicles (Driving Licences) (Amendment No. 15) (Jersey) Order 2017.

This Order amends the Motor Vehicles (Driving Licences) (Jersey) Order 2003 to increase the fees payable by persons applying for licences. The fees are increased by a quarter (except those relating to provisional licences, which are increased by a third). The fees were last increased on 1st January 2008.

The opportunity is also taken to remove spent references to replacement of licences that were issued before 4th April 2007, and to impose a minimum of £15 on a fee that is discounted when a new licence is issued on the surrender of an unexpired licence (to match the minimum when a new licence is granted for less than 10 years).

The Order was made on 24th April 2017 and came into force on 1st May 2017.

6. The Deputy of St. John will ask the following question of the Minister for Health and Social Services –

“Will the Minister advise what definitions he and his Department use for ‘hospital’ and ‘health campus’ and will he explain whether the funding being requested for the future Hospital includes provision for the building of a health campus; and will he provide a list of the items which are to be paid for from the budget for the future Hospital directly relating to the Hospital and hospital services, rather than other services which would be provided on a health campus?”

9. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Social Security –

“Given the data comparison provided in answer to Written Question 184 between Table 7 of ‘Social Security Department: Income Support 2011’ (R.126/2012) and the figures given in Table 31 of ‘Social Security Department: Minister’s Report 2015’ (R.104/2016), will the Minister provide a breakdown of the sources of income (such as earnings, maintenance, Long-Term Incapacity Allowance) included as “average other income” for adults with children in these tables?

Will the Minister further advise, in relation to the Income Support claims from families with children shown in Table 33 of R.104/2016, in how many of those claims did the claimants involved have earnings from full-time, part-time and zero-hour jobs; and will she indicate whether the proportion of claimants with zero-hour jobs in this group differs from that proportion for the workforce as a whole?”

“Will the Minister set out in detail how it is proposed to charge commercial entities for liquid and solid waste arisings and the timetable for doing so; and will he explain how the proposed charging mechanism or mechanisms will –

12. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Health and Social Services –

“Given the continuing challenges to recruitment of qualified staff from the U.K., including potentially E.U.-qualified nurses following Brexit, and the turnover rates for care assistants, will the Minister –

- (a) provide the latest quarterly figures for vacancy rates amongst qualified nurses in hospital services and in community services, along with a like-for-like comparison with figures in both service areas for the past 3 years;
- (b) explain what confidence he has in respect of nursing and other staff currently delivering the fully-funded care services in the community that their terms and conditions will not be eroded following the opening of care services to market forces; and

13. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Education –

“When will the Minister inform members of the proportion of teachers engaged in teaching G.C.S.E., AS and A-level subjects without a degree-level, or equivalent, qualification in that subject, given his indication on 13th September 2016 that he would do so following consultation with head teachers; and if he will not do so, will he explain why not?”

Will the Minister further explain why any such support could not be delivered through normal budget funding and, if it could not be delivered in this way, will he explain why not?”

15. Deputy M.R. Higgins of St. Helier will ask the following question of H.M. Attorney General –

“Will H.M. Attorney General explain what Human Rights audits, if any, were conducted of the practices and procedures of each of Jersey’s courts and tribunals to ensure that they were compatible both prior to, and after, the Human Rights (Jersey) Law 2000 was enacted; and will he further explain when any such audits took place, by whom they were conducted and where, if anywhere, the findings of any such audits can be examined?”

16. Deputy M.R. Higgins of St. Helier will ask the following question of H.M. Attorney General –
