by the Minister for Treasury and Resources

## REPORT

### Background

On 22nd September 2009, during the debate on the Draft Annual Business Plan 2010 (P.117/2009), the fourth amendment – P.117/2009 Amd.(4) – was adopted by the States as amended. A new ‘Objective 7’ was inserted, by this amendment, into the Annual Business Plan 2010. The new Objective stated –

#### **“Objective 7: Transparency and Accountability in relation to grants**

##### ***Success criteria:***

- (i) All organisations receiving grants from the States submit their accounts to be published as a report to the States; subject to a *de minimis* limit, namely that accounts are only to be published for organisations receiving a grant of £5,000 or more or where the grant represents more than 50% of the total income of the organisation, except where to do so would breach confidentiality agreements, Codes of Practice or legislation such as Data Protection legislation.
- (ii) A full list of all grants, including amounts, made by each Department is included as an Appendix to the Annual Accounts of the States and listed by Department with no *de minimis* level for this listing, except where to do so would breach confidentiality agreements, Codes of Practice or legislation such as Data Protection legislation.”

N.B. The *de minimis* limit originally set has since been changed, following discussions between the proposer and the Treasury and Resources Department.
