## **Report**

The effect of the Rehabilitation of Offenders (Jersey) Law 2001 is described in the Report accompanying the Rehabilitation of Offenders (Exceptions) (Jersey) Regulations 200- (P.157/2002).

A commencement date of 1st December 2002 is now proposed in order to allow employers, States' Departments and other organizations a sufficient period of time in which to review and revise their internal practices and procedures having regard to the provisions of the Law.

The States of Jersey Police anticipate that the implementation of this Law and the Rehabilitation of Offenders (Exceptions) Regulations 200- will result in an increase in the number of requests for employment checks received by them. As a consequence, an additional civilian part-time post will be required within the Criminal Justice Unit. The Home Affairs Committee has sought the approval of the Human Resources Committee for the creation of the post and additional funding from the Finance and Economics Committee.

### **Explanatory Note**

The purpose of this Act is to appoint 1st December 2002 as the day for the commencement of the Rehabilitation of Offenders (Jersey) Law 2001 which was adopted by the States on 7th November 2000 (P.130 of 2000).
