The effect of this Order is to allow Jersey International Air Display a.r.l. to control access to certain public roads and other places in connection with the viewing of the Battle of Britain air display on Thursday, 12th September 2002.

The Order was made by the Public Services Committee on 22nd July 2002.

**MACHINERY OF GOVERNMENT: PROPOSED DEPARTMENTAL STRUCTURE AND TRANSITIONAL ARRANGEMENTS (P.70/2002) - FOURTH AMENDMENTS: COMMENTS.**

The Finance and Economics Committee is strongly of the view that proposals which increase the number of bodies reporting to the States will fail to deliver the efficiencies and cost savings which the structure proposed by the Policy and Resources Committee will facilitate. However, in this instance the Committee believes, that any such additional costs will be marginal, but must, in any event, be contained within overall States' cash limits, as already agreed.

FINANCE AND ECONOMICS COMMITTEE.

**MACHINERY OF GOVERNMENT: PROPOSED DEPARTMENTAL STRUCTURE AND TRANSITIONAL ARRANGEMENTS (P.70/2002) - FIFTH AMENDMENTS: COMMENTS.**

The Finance and Economics Committee is strongly of the view that proposals which increase the number of bodies reporting to the States will fail to deliver the efficiencies and cost savings which the structure proposed by the Policy and Resources Committee will facilitate. If any additional bodies were to be created, the cost would have to be met from within the overall States' cash limits, as already agreed.
