515/28	2. Review Progress The Sub-panel considered evidence received to date and discussed next steps. Due to a disappointing number of written submissions, notably from schools, it agreed to re-contact those stakeholders who had not responded to the initial request for information and offer an extended deadline for submission of 10th February. The Chairman would also be raising concerns about the low number of school submissions with the Minister for Education, Sport and Culture. The Panel agreed to re-evaluate its position after the passing of the extended deadline.	SP/TO
