STATES GREFFE

**PAGE 2 –**

*In Amendment (1), in the inserted bullet point for the word “Ratify” substitute the words “Seek extension of the UK ratification of”.*

COUNCIL OF MINISTERS

## **REPORT**

This amendment to Deputy Le Claire's amendment is a technical matter. Jersey cannot 'ratify' any conventions. The amendment corrects this to "seek extension of the UK ratification" of the convention. There are no financial or manpower implications.
