## **REPORT**

### **Amendment (1)**

Confusion exists in Standing Orders that needs to be clarified. This amendment would move the deadline for written questions to 9.30 a.m. on the Monday in the week before the States' meeting.

### **Amendment (2)**

Currently 60 words is a bit short when submitting an oral question and an additional 10 words would help members when drafting questions.

There are no financial or manpower implications arising from this amendment.
