Item 3 2.09.13 514/22	1. Pathway 2050: An Energy Plan for Jersey The Panel met to consider the first draft of its report on the proposed policy. A number of amendments were agreed and the Scrutiny Officer was asked to incorporate these in a further draft to be circulated by email. Subject to approval this would become the stakeholder draft to be shared with the department and witnesses.	MO
Item 5 2.09.13 514/20	2. Radon Members received an oral update on progress with the contract. The consultants had been asked to clarify the level of support available and provide details of their fee rates. The information was expected shortly. The Panel decided that the evidence previously collected on radon would be used as the basis for the review and the Panel would not put out a public call for evidence.	MO
