Minister for Infrastructure.

This Order amends the Road Traffic (Speed Limits) (Jersey) Order 2003 to extend the existing 20 mph speed limit on La Route de la Trinité further south, to a point 15 metres south of East Lodge (Trinity Manor).

Wildlife Law (Jersey) Amendment No. 2 Order 2024.

Minister for the Environment.

This Order amends Schedules 1, 4, 5 and 8 to the Wildlife (Jersey) Law 2021 (the “Law”) to protect additional species under the Law, and to raise the level of protection for other species.

Article 2 adds the European eel and the large chequered skipper to the list of protected wild animals (Schedule 1). The eel is protected from being killed, injured, captured, sold, possessed, exported or released into the wild. The skipper is given all protections conferred by the Law.

Article 3 adds the large chequered skipper to the list of wild animals whose breeding sites and resting sites are protected when in use (Part 2 of Schedule 4).

In Part 2, the common shelduck is added to the list of wild birds whose breeding sites and resting sites are protected when they are in use. The little egret is deleted from Part 2 owing to its existing entry in Part 1.

Article 5 replaces the table in Schedule 8, listing protected wild plants. The heading is amended to better reflect the terminology as defined by the Law. The third column of the table (specific provisions conferring protection) is deleted as a result of extending full protection to the 4 species that were previously protected only by specific provisions.
