ANSWER TO BE TABLED ON TUESDAY 18th APRIL 2023**

Question

Will the Chair agree to publish the resignation letters from the previous Chief Officer of Health and Community Services and the Chief Nurse, and if not, why not?

Answer

We do not, as a matter of course, publish private employment details of individuals or where individuals can be identified.

An exception was made for the resignation letter of the Chief Executive Officer, as Head of the Public Service, which was done with her agreement and express consent.
