Dear Deputy Chief Minister,

**Risks to timeline for Our Hospital Project**

The Future Hospital Review Panel is writing to request further information about the realistic timing of crucial elements of the Our Hospital Project.

The Panel would like to be advised about the steps that the Our Hospital Team are taking to mitigate the risks of any further changes or delays in the timetable, particularly in light of next year's June election date and the requirements of the period preceding that election and the restrictions on decision-making.

We look forward to hearing from you and would appreciate a response by Wednesday 26<sup>th</sup> May 2021.

Yours sincerely

Senator Kristina Moore  
Chair  
Future Hospital Review Panel
