1. Item 3 13.12.07	<p>Energy Consultation Response</p> <p>The Panel met and discussed completion of its response to the draft Energy Policy consultation document issued by the Environment Department. It recalled that Connétable Crowcroft and Deputy C. Scott Warren had given apologies for any meetings taking place prior to the 10th January 2008.</p> <p>The Panel gave detailed consideration and responded to the Policy Options contained within the draft. Due to insufficient time to complete the work it agreed to reconvene on the 8th January 2008.</p> <p>The officer was requested to take the necessary action to provide a draft response for the Panel's consideration at that meeting.</p> <p>The Panel identified several reports referenced within the consultation document and agreed that copies be requested from the Department.</p>	CLQ
2.	<p>Design of Homes</p> <p>The Panel briefly discussed the outcomes of its Design of Homes report, in particular the proposal or concept that a zero carbon house should be built in Jersey. The Panel considered how it might identify land that was available for such a project and agreed that it should arrange a meeting with the Minister for Planning and Environment at the earliest opportunity.</p> <p>In the interim the Panel agreed that information should be requested relating to land currently in States ownership. The Panel discussed initiatives in other jurisdictions which it considered had been</p>
