It was noted that some work would be required to ensure all the appropriate tables and graphs were inserted. Nevertheless, the Sub-Panel agreed that the draft report would be circulated to the Department of Treasury and Resources for comment on the factual accuracy. It was noted that the reports provided by MJO Consulting and the Chartered Institute of Public Finance and Accountancy (CIPFA) would also be despatched to the Department. The Sub-Panel was advised that the deadline for any comments to be returned by the Department would be 12th October 2012. It was noted that, in that regard, the Council of Ministers would meet on 11th October 2012 to consider the draft report.</p>
