DRAFT EMPLOYMENT RELATIONS (JERSEY) LAW 200- (P.19/2005): COMMENTS

**Presented to the States on 8th March 2005
by the Finance and Economics Committee**

STATES GREFFE

COMMENTS

The Finance and Economics Committee notes that the funding required for the Employment (Jersey) Law 2003 and related legislation had previously been allocated to the Employment and Social Security Committee for the setting-up of the Jersey Advisory and Conciliation Services (JACS) and the Employment Tribunal and that that Committee is confident that the existing budget levels are adequate for the effective delivery of this package of Laws.
