07 April 2005

Dear Sir

Heatherbrae Farm, La Rue de la Chesnaie, St John

Application Number P/2005/0423

PROPOSED WORK:-

CHANGE OF USE OF AREA TO SOUTH AND PART OF BUILDING TO NORTH-EAST
FROM DRY STORAGE TO COMMERCIAL

In respect of the above application, this Departments comments are as follows.

There is no objection to the proposed change of use in principle.

However some commercial operations are more likely to cause nuisance to neighbouring properties than others.

Commercial uses likely to cause problems with noise or smell should not be permitted.

Therefore it is recommended that each proposed commercial use should require permission to operate.

Yours faithfully

**D J Binet
Environmental Health Officer**
